Summary

As a software engineer, I am dedicated to leveraging my technical expertise, problem-solving abilities, and collaborative mindset to contribute to the success of projects and exceed business objectives. Seeking a challenging role in a dynamic organization where I can continue to develop my skills, tackle complex challenges, and make a positive impact through the delivery of high-quality software solutions.

Experience

Technical Associate & STEM Trainer

Robokidz Eduventures Pvt. Ltd.

Jan 2023 - Jun 2023 (6 months)

Develop and deliver engaging STEM training programs for students and educators, incorporating hands-on activities, project-based learning, and real-world applications.

Worked with nearby startups and institutions to provide training and mentorship to students and entrepreneurs.

Web Designer

NextEdge Digital

Jul 2022 - Sep 2022 (3 months)

I have contributed to the creation of visually stunning and user-centric websites. Through my expertise in UI/UX design principles and meticulous attention to detail, I have successfully delivered compelling designs that captivate audiences and drive impactful results.

Web Developer

NextEdge Digital

Jul 2022 - Sep 2022 (3 months)

Collaborating closely with cross-functional teams, including designers, back-end developers, and project managers, I have played a vital role in the end-to-end development process. From translating design concepts into clean and efficient code to implementing responsive layouts and optimizing website performance, I bring a detail-oriented approach to every project I undertake.

Web Developer

Digisoftnet Software Solutions

May 2021 - May 2022 (1 year 1 month)

As a dedicated web developer at Digisoftnet Software, I have had the privilege of working on a wide range of projects, honing my skills in front-end development and delivering impactful digital solutions. With a focus on creating seamless user experiences and leveraging the latest web technologies, I have contributed to the successful development and high-performing websites.

Internshala Student Partner

Internshala

Jan 2021 - May 2021 (5 months)

Internshala Student Partner (ISP) is a program that empowers college students to become campus ambassadors for Internshala.

Promoting Internshala to students on college campus.

Helping students find internships that are a good fit for their skills and interests.

Education

Aravali Institute of Technical Studies, Udaipur

Bachelor of Technology, Computer Software Engineering

2019 - 2023

Chhotanagpur Inter College

High School Diploma, Science

2017 - 2019
